The Office of Secretary of State

Karen C. Handel
SECRETARY OF STATE

Randall D. Vaughn
DIRECTOR
PROFESSIONAL LICENSING BOARD

October 9, 2009

Dear Business License Holder,

The Secretary of State's Professional Licensing Boards Division currently issues professional licenses through 36 boards. In addition to providing licensure for qualified individuals, the Secretary of State's Office investigates unlicensed practice on behalf of the Boards.

Please note that O.C.G.A. § 36-60-6(a) reads in part:

Before any county or municipal corporation issues a business license to any person engaged in a profession or business required to be licensed by the state under Title 43, the person must provide evidence of such licensure to the appropriate agency of the county or municipal corporation that issues business licenses. No business license shall be issued to any person subject to licensure under Title 43 without evidence of such licensure being presented.

The aforementioned code section refers to *any* of the professions that are regulated by this Division.

As such, we have recently communicated with local business licensing authorities in an effort to ensure individuals have obtained the necessary professional licensure prior to obtaining a business license. We are asking local municipalities to verify state licensure by visiting the Secretary of State's website at <https://secure.sos.state.ga.us/myverification/> before a local business license is issued or renewed.

Please accept this letter as a reminder that no business license should be issued for professions or trades which require state licenses, unless there is verification of such license.

Sincerely,

Randall D. Vaughn
Director
